Mighty Tree Properties is a vacation rental management company that specializes in luxury homes in the Asheville, NC region. We pride ourselves in best-in-class owner communications and typically provide more income for properties than most other management companies in the area. In fact, we often guarantee that we will beat the income the property made the prior year, or we don't charge management commission.

Please call or email for more information. We would love to manage your home and help turn it into the perfect vacation rental!
